Why United Way?

The Power To Change Your Community

Hudson County is a place of possibilities and opportunities. Yet, for many of our friends and neighbors, challenges arise that block the path to fulfilling dreams and developing potential. If you could help members of the community realize their dreams and achieve their potential through one powerful gift, wouldn't you do it?

You Can Through the United Way of Hudson County

Your gift, along with many others, helps more than just one person or one charity.

It's Not Charity. It's Necessity

Your gift has impact. Whether it's your friends, neighbors, colleagues or someone you passed on the way to work today, hope is the first step toward powerful change. Your gift spreads the hope that changes lives for the better!

Your gift touches so many lives, giving hope to millions.

Thank you for your commitment to our community—Together, we accomplish so much!

Our Focus

Maximize your impact

Why United Way?

We provide grants that focus on our Community Impact Fund in four major areas and create real change with your donation!

“Giving people the necessary job and life skills to be independent, responsible citizens”

“Helping families, youth and children with social issues, personal growth, and economic support”

“Helping people maintain their physical and mental health, their well-being and the ability to live independently.”

“Helping our community as a whole access a variety of services”

United Way is Unique

United Way is like no other because it allows you to help your entire community. Working together with businesses, government, non-profits and individuals, United Way brings people together to achieve more than we could ever alone.

United Way Produces Results

United Way’s knowledgeable volunteers ensure your gift is used wisely and produces measurable results. Your gifts go toward the most pressing needs in the community. Their dedication assures you that your generous gift goes directly to help people in need through programs that do the most good.

United Way Doing What Works... Doing What Matters!

- 90% of individuals and families placed in housing did not become homeless again.
- With help from emergency assistance programs, 80% of families who lost their homes returned to a state of normalcy within six months.
- A 76% improvement in patient compliance with treatment plans enabled elderly patients to avoid major illnesses and/or recurrence of medical conditions.
- 90% of people requesting information or referrals for HIV/AIDS services had at least one person they could contact, one step to take in addressing their problem or concern.
- 100% of participating families affected by domestic violence received crisis intervention and experienced an interruption in the cycle of violence.
- 90% of children assisted by special education advocates received appropriate education in school.
- High school students increased their volunteerism by more than 230% after participating in a special program to introduce youth to community service.
- 56% of clients graduated from employment training and 33% obtained jobs at a wage rate above the poverty level.
- 34% of people with disabilities developed and completed job training and found employment.
- First Call for Help received an average of 5000 calls last year - Providing confidential information and referral service to many in need.

Thank you for your Gift!
